

Monthly Report on License Agreement

2024-07 July

This report is in agreement with the terms outlined in Section 8.4 of the License Agreement between the City of Austin and Austin Pets Alive! with a focus on APA!’s impact on Travis County through our partnership with Austin Animal Center.

Austin Pets Alive! (APA!) is consistently the city of Austin’s largest partner in lifesaving. APA! takes animals that have medical and behavioral concerns that require a higher cost per animal than the average healthy animal, in an effort to have a measurable effect on the live release rate at AAC.

APA! Intakes transferred from AAC:

198 animals were transferred out of AAC to all rescue partners in July per the AAC dashboard. Of these, 170 (85.6%) were credited to APA!. However, APA! documented 199 total transfers from AAC in July, with the largest discrepancy being in cat numbers.

40 animals were born in APA!’s care to pregnant animals sent from AAC. Additionally, APA! took in 31 pets directly from owners within Travis county through the PASS program that should have otherwise entered AAC. This makes for 71 intakes diverted from AAC in July.

Also in July, AAC and APA! reinstated the boarding program agreement that was piloted in 2023. The first 5 dogs moved to TLAC at the end of July, and more are planned for early August.
