

# Monthly Report on License Agreement 2025-08 August

*This report is in agreement with the terms outlined in Section 8.4 of the License Agreement between the City of Austin and Austin Pets Alive! with a focus on APA!'s impact on Travis County through our partnership with Austin Animal Center.*

Austin Pets Alive! (APA!) is consistently the city of Austin’s largest partner in lifesaving. Our mission is to keep Austin No Kill by taking in the animals that have medical and behavioral concerns that the city cannot care for or treat. Since 2011, due to our partnership with Austin Animal Center to take the animals at risk of euthanasia, our city has been the largest No Kill city in the US.

**APA! Intakes transferred from AAC:**

In August 2025, 130 animals (*per APA! audited records*) were transferred from AAC to APA! for lifesaving care and placement.

23 animals were born in APA!’s care to pregnant animals sent from AAC. Additionally, APA! took in 10 pets directly from owners within Travis county through the PASS program that should have otherwise entered AAC. This makes for 45 intakes diverted from AAC in August.

*APA must: select a sufficient number of animals from the At-Risk List so that at the end of each year of the Term APA will have selected from the At-Risk List 12% of the total number of animals taken in by AAS during the preceding year.*
